Dear Parents,

## Our School Values and Supporting Children's Behaviour at Home

**Thursday 4<sup>th</sup> October 6.00pm - 7.00pm**  
**OR Tuesday 9<sup>th</sup> October 9.15am - 10.15am**

Last year, we introduced our new school values and our behaviour curriculum in school. We worked with Hampshire Behaviour Support Team to look at changes and ways to improve what we already did to meet the needs of all children and to develop a consistent approach across the school.

Sarah Cobb, from the Behaviour Support Team, led two sessions for parents that were very well received. She will be returning on Thursday 4<sup>th</sup> October 6-7pm and Tuesday 9<sup>th</sup> October 9.15-10.15am to share her great strategies for supporting children's behaviour at home and we will be sharing our values and behaviour curriculum.

For those of you who heard Sarah Cobb speak last year, please come again and I am sure you will pick up some new tips - I learn something new every time I work with Sarah!

For our new families, please come along and be inspired by Sarah and learn about the school values and behaviour curriculum so that you can support your child at home. If we all use the same language and have the same high expectations the children will meet these! This is what we are aiming for at school and it would be fantastic if you could use the same language at home.

Please try and come along to one of the sessions so that when your child is talking about the School values, you understand and can support them.

So that we have an idea of numbers, please could you complete the slip below and return to your child's class teacher by **Friday 28<sup>th</sup> September**. Thank you.

Yours sincerely,

K. Greenway
