13th February 2019

Dear Parents,

Development of the School Grounds.
What needs to be done to make our school grounds the best outdoor learning and play space possible?

As you can see from the pictures below, we have some great spaces and some spaces that need re organising/improving for the benefit of everyone.

- Do you have an open mind?
- Are you good at working with others to look at new ideas?
- Can you see the big picture – bring it all together?

If so, we really need your help!!

We would like to put together a long term strategic plan for the development of our **WHOLE** school grounds. We would like to involve all stakeholders – children, parents, staff, Governors and our local community – to get as many good ideas as possible.

We will be working with a landscape architect as part of Hampshire Landscape Strategy. She will lead two workshops helping us think about:

- What do you think of the school environment now?
- How is it used?
- What's good about it?
- What's not so good?

And much more...

This is an exciting opportunity and we would really welcome everyone's thoughts, comments and involvement.

So please come along to our two workshops on Friday 8th March 9.15 – 11.15am and Friday 29th March 9.15 – 11.15am. Ideally you need to come to both workshops please, but if you can only come to one that is fine.

In return for your time, we can offer a productive, fun morning with children and adults from the school community working together for the school's future and of course CAKE!!

I hope that lots of you will be able to join us. Please either leave your name at the school office or email adminoffice@parsonagefarm.hants.sch.uk or p.attwood@parsonagefarm.hants.sch.uk to let us know that you will be joining us. Thank you.

Yours sincerely,

K. Greenway
