<https://parentview.ofsted.gov.uk>

Another half term seems to have flown past. The children have been really busy and achieved so much. Thank you as always for all your support.

### **Open Morning/Afternoon**

It really was a busy morning and afternoon. Thank you so much for coming. So many parents and Grandparents came to share their children's work. One Dad apologised to me as he felt he had been there so long but his child had done so much and he wanted to spend the time sharing this. I hope this also gave you the opportunity to share your child's work with your child, which gives it more context, than looking at it alone when you are waiting to speak to the class teacher at Parents Evening.

### **Parents Evenings**

Again, a big thank you for coming to Parents Evenings. We had nearly 100% attendance which shows how much you value this opportunity to speak to class teachers about your child.

Thank you for completing the Parent Questionnaires as well. Your feedback is really important to us. If you didn't have a chance to complete one, there are some in the School Office. The Governors will be collating these and will update you in the next newsletter.

### **Internet Safety Assembly for Parents**

Thank you to the 29 parents who managed to attend this assembly. It was lovely to see you there. Hopefully you found the talk by Paul Hay very useful and informative. The children had a great day and are now much more aware of how to keep safe on the internet - ready for when they do use it, if they are not already using it with your supervision. We will be updating our Internet Safety page on the website, with the latest information.

### **Book Week Monday 4<sup>th</sup> - Friday 8<sup>th</sup> March**

We are pleased to tell you that we have an author, M. P. Robertson, coming to school on Friday 1<sup>st</sup> March as a launch to our Book Week the following week. He is the author of many picture books for children including The Egg series about a boy and a dragon. He writes and illustrates his books and will be sharing his skills with the children during the day. After school, he will be in the hall, and will be selling and signing his books, if your child would like a memento of the day. All paperback books will be £7.

On Thursday 7<sup>th</sup> March, World Book Day, the children can dress up as a character from a book if they would like to.

### **Behaviour Curriculum Workshop - Attachment Mon 11<sup>th</sup> & Thurs 14<sup>th</sup> March**

Again, you should have received a separate letter about this. I am really looking forward to hearing Sarah Cobb, from Hampshire Behaviour Support Team, talking about all the different ways to build positive relationships with your children. Please come along and be inspired!

## Development of the School Grounds Workshop

Friday 8<sup>th</sup> & 29<sup>th</sup> March

You should have received a separate letter about this - I look forward to seeing lots of you there with lots of good ideas!!

## Textile Bank

Thank you to everyone who has been putting clothes and shoes in the textile bank in the parent car park. The school have just received £39.80 for things put in there during the last 2 months. Keep using it please, as every little amount of money really helps. Thank you.

## Adventure Playground

Please can I remind you that if you allow your children to play on the adventure playground briefly after school, you need to be supervising them. We do not let any children on there during the school day unless they are being supervised by an adult. Please help keep your children safe.

## Parent Lite App

Mrs Attwood recently sent an email about the Parent Lite App, which you can sign up for and then use to keep your child's information up to date e.g. new phone numbers. If you would like to sign up for this, please come into the Office and complete a form. Thank you to those parents who have already done this.

## Diary Dates

Mon 18<sup>th</sup> - Fri 22<sup>nd</sup> Feb

Half Term

**Mon 25<sup>th</sup> Feb**

**INSET DAY** (SCL running during day - £20 per child)
