17<sup>th</sup> June 2022

Dear Parents,

I hope you all had a good half term and enjoyed some Jubilee celebrations. It was so lovely to welcome so many of you to our own Jubilee celebrations and the weather really helped. The children loved singing their songs and parading around the playground. It was just what was needed to round off a busy half term. Thank you too for sending in food for the children's street parties – they had great fun.

Sadly, it was brought to my attention at the end of the celebration, that some parents had been taking photos and videos. This really upset and disappointed me as all parents would like to do this, but they respect the wishes of others and understand and abide by these. Please could you all remember this at the next events that we have.

This half term is looking just as busy with lots to look forward to. All year groups (Yr R-2) are going on a school trip, we have a dance company in for the day running workshops for all year groups, Sports Day (Yr R-2), Yr 2 Leavers assembly and disco as well as the FOPs Colour Run – all happening while the children still have lots of learning to do!! The topic webs for each year group are on the school website (Curriculum/classnames/topics).

#### Parents Evenings

Thank you for your understanding when we had to postpone these and for being able to come last week. If you have not managed to see your child's class teacher, please do ask and they will make a convenient time to meet with you or phone you.

Thank you too, to those parents who added post it note comments in the hall. I know not everyone saw these, so I have attached a link for a form with the same questions, if you would like to add your comments – especially Daisies parents who wouldn't have seen them at all.

#### Message from FOPs

Just a quick reminder that the Colour Run is on Sunday 26<sup>th</sup> June. On the day tickets will be available for people that haven't pre-ordered but it won't include a medal.

We look forward to seeing you all there.

#### Book Bags

The children put their book bags in boxes in the corridor – 6 bags in each box. We are finding that children are often sneaking in toys or things from home and these make their book bags really full so they don't all fit in the box. Also, one small key ring does help the children identify their book bag easily, but many children now have lots of things attached and again this means that the book bags don't all fit in the boxes – often meaning they are on the floor and a trip hazard. Please can

you help us by making sure your child only has one key ring if needed and just their reading books and library books in their book bag. Thank you for your help with this.

### Caretaker

Sadly, our caretaker will be leaving us at the end of July so we are currently advertising for this post. The advert is on the school website – please speak to Mrs Roylance in the office if you would like more information. Please also publicise this vacancy to anyone you know who may be interested. Thank you.

### Reminders

You will have received the Sunny Weather guidelines earlier in the week. Please help us to keep your child safe in the sun by following these guidelines. Thank you.

Please can you remember that if you are using the staff car park before school for breakfast club or after school for pick up from any clubs, the speed limit is **5mph**. We had two near misses last week where parents were driving too fast – there may always be children or adults in the car park.

### Start of next term

At the start of the Autumn term, we will be having two INSET Days on Thursday 1<sup>st</sup> and Friday 2<sup>nd</sup> September, so school will start on Monday 5<sup>th</sup> September. SCL will be running on Thursday 1<sup>st</sup> September (holiday club hours) and Friday 2<sup>nd</sup> September (INSET Day hours). These sessions will be available on their website to book next week.

### Year group photographs

Each newsletter will contain a collection of photographs from a different year group, showcasing all the wonderful learning that takes place. This week it is Daisies who are sharing their photographs. You can see these on the last page of the newsletter.

Have a lovely weekend. Please take care and keep safe.

Miss Greenway

### **Dates for Diaries**

Tues 22 <sup>nd</sup> June	Yr R Trip to Birdworld
Sun 26 <sup>th</sup> June	11am – 3pm FOPS Colour Run
Fri 1 <sup>st</sup> July	Yr 2 Trip to Hilliers Arboretum

As we fly through our final half term together we are focussing on changes within our PSED/SCARF sessions, linked to us moving on to Year R next year.

We have started learning the matching graphemes for the phonemes we can hear and are all busy practising our fine motor skills to help with name writing and mark-making.

In Maths, we have been learning all about 2D shapes and our welly walks have had a shape focus where we have looked for shapes around the school.

And most importantly we are enjoying being with our friends, celebrating all of our achievements this year and looking forward to next year.
