Are you excited about teaching and want to inspire children?

Do you want to be creative with the curriculum in Year 2?

We are seeking to appoint a Year 2 teacher and are looking for a creative, ambitious and highly motivated professional to teach in our school. Ideally we would like a full time teacher but would consider 4 days a week.

Do you:

- Have a positive, approachable and caring attitude?
- Have high expectations of learning and behaviour?
- Have the ability to model and promote high quality teaching and learning?
- Create a positive learning environment where all children can succeed?
- Have the confidence to have fun with the curriculum and take risks?
- Want to use EY pedagogy in KS1 and support children to lead their own learning?
- Have a real desire to make a difference for children and families, however tough this may be?
- Have the flexibility to work as part of a successful team?

We can offer:

- Happy, well motivated children, who are keen to learn and supportive families
- A well-resourced learning environment, both inside and out
- An experienced, hard working and supportive team
- Opportunities to try things out and be innovative
- Opportunity to lead a subject
- A school that is proud of its achievements and excited to continue to develop further
- A supportive leadership team committed to providing opportunities for the development of all staff
- A total commitment to supporting your professional development

We would support applications from teachers early in their career or more experienced teachers but we are not able to consider an ECT at this time. Previous applicants need not apply.

Come and visit and find out more about our school and what the role can offer.

We are committed to safeguarding and promoting the welfare of our pupils. This is reflected in our recruitment and selection practices. All successful candidates will be subject to relevant employment checks.
