

Knowledge

- ❖ Identify different stages of human growth and what people can do at each stage.
- ❖ Recognise 'loss' as a feeling and experience people go through.
- ❖ Identify which parts of the human body are private.
- ❖ Understand that humans mostly have the same body parts but that they can look different from person to person.

Safeguarding

- ❖ Can identify trusted adults they can talk to (at home and in school), who will help keep them safe.

Prior Knowledge (Year 1)

- ❖ Name major internal body parts and understand and explain the simple bodily processes associated with them.
- ❖ Explain how to meet the basic needs of a baby.
- ❖ Can name different stages of life e.g. baby, toddler, child.
- ❖ Can name private parts.
- ❖ Can name who to talk to about private parts.

Skills

- ❖ Give support to a friend.
- ❖ Describe feelings of loss and suggest what someone can do if a friend moves away.
- ❖ Describe the stages of growth they have been through and what they look forward to in their future.
- ❖ Can talk about the importance of keeping private parts private.
