Dear Parents

I hope you all had a lovely half term. The weather has definitely been kinder to us over the last two weeks. The sun has been shining and it has been lovely watching the children running around and smiling at playtimes and lunchtimes. They have also been really busy in class, with lots of new learning. Thank you for supporting your children at home with their learning, especially their reading.

Nursery Places September 2025

If your child was born between September 2021 and August 2022, they could start in Daisies in September 2025. We still have a few places available so please ask for an application form in the school office. If you have friends who have children of this age, please let them know too. We will be sending out offers next week to those parents who have applied for places in our Nursery starting in September 2025.

World Book Day

Thursday 6th March

This was a great day and THANK YOU for helping your child choose what 'reading material' to bring in for 'Read it your way'. We were amazed with all the different things that they brought in – magazines, football cards, puzzle books, maps, leaflets, birthday cards, posters, football match programmes, annuals, CD sleeves, joke books, Pokemon cards as well as non-fiction books and favourite stories. The children loved sharing these with their class and each class then shared with another class in a different year group as well. The children also had great fun guessing who's who with staff photos where each member of staff had taken a photo of themselves with their favourite book covering their face!! Mrs Harper took a photo of Sunflowers doing a similar thing. There will be more photos added to the website next week.

Phonics Screening Workshop for Year 1 Parents

Thursday 27th February

Thank you to those parents who came to the phonics workshop – there were only a few parents but I hope you found it useful and it will help you be able to support your child with their phonics and reading at home.

Reading Workshops for Parents

Year R – Thursday 13th March 2.45pm

Year 2 – Wednesday 19th March 2.45pm

You will already have received an email about these workshops from your child's teacher. Please come along to these sessions to find out how you can support your child with reading at home, so that they can be the best reader they can be.

Internet Safety

The children love to tell us about all the games they play online at home – sadly they often tell us things that when we look them up, are not age appropriate – they have often told us because they are scared of the content. Please can you ensure your child is only playing or watching things that are suitable for their age. I appreciate that this can be tricky when they may have older siblings and want to watch/play the same things. Class teachers will speak to you if your child has told us they are watching things that are not age appropriate as this is a safeguarding concern.

SCARF at home

Nursery and Year R: [Family SCARF - SCARF at home - Rights and respect 3-5 years](#)

Year 1 and Year 2: [Family SCARF - SCARF at home - Rights and respect 5-7 years](#)

This half term the theme in our SCARF lessons is 'Rights and Respect'. Above are the links to suggested family activities, talking points and some games or worksheets (there is no expectation to print these off). We would love to see any of the activities you do, so please do send things in with your child or email any photos to your year group email address.

Independence Award Virtual Workshop for Nursery Parents

Mrs Gray will be doing a virtual workshop for Nursery parents to introduce the independence award on Thursday 27th March from 12.30 – 1pm. Mrs Gray will send more information to Daisies parents soon.

Art Competition

Well done to everyone who has brought back an entry for this – these have all been collected now and we will wait to see if any of our children are winners. The entries will be displayed in Fleet Library.

Parent Governor Elections

Thank you to the two parents who put themselves forward to be a Parent Governor and thank you to those parents who completed the voting form. I am pleased to tell you that Mrs Jess Drakes was successful and will be joining the Governing Body.

After School Clubs Year 1 and Year 2

There are still a few spaces for Archery after school club on Thursday. Please sign up on Arbor if you would like a place for your child this will run until Easter.

We are just planning with Premier Education, which clubs to run in the summer term. If you have any good ideas, please let us know.

Parenting Workshops

I have left the dates for the last two workshops just in case you have not signed up yet. The feedback I have heard from parents that have been so far, is very positive. You can still book on these sessions – just email Mrs Parkhouse if you would like to go to either course and she will sign you up.
