Dear Parents

I hope you all had a good half term and managed to get out and about during the better weather. The children have had a busy first week back with Year 1 and Year 2 getting outside and planting in Parsonage Patch and Year R going on a school trip. There are lots more things planned for the remaining weeks of this half term – please see the dates below. If you are not sure about anything, please just ask.

Year R School Trip to Milestones

On Tuesday 3rd June, Year R visited Milestones Museum in Basingstoke. We had a great day exploring life in the past and the children loved seeing the different vehicles, homes and toys. During the day the children took part in a workshop based on the book 'Naughty Bus'. There are some photos on the school website of the day. - [Parsonage Farm Nursery and Infant School - Photo Gallery 2024-2025](#)

SCARF Summer 2

This half term the theme in our SCARF lessons is 'Growing and Changing'. This theme focuses on children understanding changes that happen around them, which forms part of our transition work to prepare children for moving to a new class/school.

Another part of this unit is understanding how our bodies grow and change and how they can keep themselves safe. Within SCARF lessons we teach children about their bodies and use the scientific terminology for the different body parts boys and girls have.

To help you understand this further and be able to support your child, please follow the link to our Relationships Policy. This sets out what is taught and when and what resources we may use to support our teaching. [8512DCC6A0525BEC0DBA984CACF89C78.pdf](#)

We wanted you to be aware of the language being used in school, as some children may start using this at home

School Library

We are always looking at ways to add to our library stock of books and have seen this link which could help us win £1000. All you need to do is click on the link below and then scroll down the page to 'Nominate a School'. The more nominations we get before 31st July, the more likely we could be to win! Anyone can do this – parents, grandparents, friends, neighbours, any one you know!!! Please get as many people as possible to nominate Parsonage Farm.

Message from FOPS

FOPS HQ are busy with plans for this year's Colour Run. We would love to get as many volunteers as possible to make this event successful. Please use the link below to sign up - [VolunteerSignup - Online volunteer signup sheets - Colour Run 2025 signup sheet](#)

If you haven't already booked your tickets, please use the link to select your preferred time slot - www.pta-events.co.uk/fops1

Sporty Mufti Day Friday 13th June

FOPs have asked for a Sporty Mufti Day when children can wear sporty clothes/shorts and T-shirts (Year R will still be doing PE that day) in exchange for a donation for the Colour Run. They have asked for bottles of wine, Jolly Jars (jars filled with little sweets or toys) – these will be used on stalls at the Colour Run. There will be boxes in each classroom that day for your donations. Thank you for your help with this.

Knowledge Organisers

On the website, you will find knowledge organisers for all year groups which show what the children will be learning this half term. Please follow the link below and take a look. Any questions, please ask your child's class teacher.

Child Safety Week 2nd - 8th June

I have been asked to share the attached safety pack with parents – it has lots of useful information on topics such as burns, toy safety, choking, road safety and water safety.

Family Fun Day Farnborough College of Technology

The Family Fun Day at our Farnborough campus on **Saturday 21st June, between 10:30AM - 2:30PM** is set to be a day where all the family can enjoy various activities, like Bumper Boats, a Mini Trooper fairground ride and live music - all completely **FREE!** There is free parking on-site and refreshments will also be available to purchase.

Local Community Events and Summer Holiday Activities

We are currently being sent lots of posters, information and weblinks for local community events and Summer Holiday activities. Some of these are free, some of them you need to book and pay for. Mrs Parkhouse is kindly collating these and we will send out one sheet with all the information in a few weeks, rather than filling your inboxes with lots of individual emails. We hope this will be helpful.

Reminders

- **Please can you make sure that children DO NOT ride bikes and scooters in the school grounds – please help your child get off and push it to the bike shed. We have had a couple of NEAR MISSES with younger siblings**

As always, any questions about anything, please just ask. I will send more information about some events nearer the time.

Have a good weekend
Miss Greenway
