Miss K Greenway

22nd July 2026

We aspire for all at Parsonage Farm to feel valued and cared for, to have a continued excitement for learning, ensuring success as they journey onwards.

Dear Parents,

Well, this really is the last newsletter of this academic year!! Where has the year gone? Thank you as always for all your ongoing support – it really is appreciated. I hope you all have an amazing summer and that the weather is kind to us - not too hot and not too cold, just right!!

Moving On

Good luck to all our Year 2 children as they move to new Junior Schools. We are so proud of what they have achieved during their time at Parsonage Farm. Make sure you continue to be confident, independent and resilient and show your new teachers how amazing you are!

Good luck too, to a few families across the school that are moving away over the summer. Please keep in touch and let us know how the children are getting on in their new schools.

Amazon Wishlist

If you'd like to support our school, we'd be very grateful for any donations from our Amazon Wishlist. Alternatively, if you're out and about over the summer and spot any items you think would be useful for the school, those donations are just as appreciated.

Summer Reading Challenge

Don't forget to visit a local library over the holidays and sign up for the Summer Reading Challenge – Read to the Beat. www.hants.gov.uk/librariesandarchives/library/kids-zone

And just keep reading over the summer – anything you can, books, comics, instructions for games and please keep reading bedtime stories.

Remember as Dr Seuss says

☐ **“The more that you read, the more things you will know. The more that you learn, the more places you'll go”**

or

☐ **“You're never too old, too wacky, too wild, to pick up a book and read to a child.”**

Lunchtime Supervisor

In September, we will have a vacancy for a lunchtime supervisor to join our fab team. If you love working with children and would like to help our children have great lunchtimes, this job could be for you. It will involve helping the children with their lunch, supervising and playing with the children on the playground and being part of the team. The hours are 12 – 1pm every day. If you have a paediatric first aid certificate that would be desirable. If you are interested, please email adminoffice@parsonagefarm.hants.sch.uk and ask for an application form. The email will be checked at times over the holidays. Please return your completed application by **Friday 4th September**.

Laptops

Many of our teacher laptops are becoming very slow – we try to replace two each year, but with ever shrinking budgets, this is becoming harder and harder. If anyone has any contacts in the IT world, that may be able to help, please let us know, or any other suggestions about how we could source them or grants we could apply for, it would be really appreciated. Please email adminoffice@parsonagefarm.hants.sch.uk. Thank you.

Inhalers/Medication

If your child has an inhaler or any other medication, this will be sent home with them today. Please can you check the expiry date and then return it in September if your child still needs it. Thank you

The Big Future Survey

Children's Commissioner for England

I am writing to let you know about **The Big Future**, a national survey being conducted by the Children's Commissioner for England.

The majority of schools across England have already contributed, and it is important that the views, experiences and aspirations of children from our school are represented. We would therefore be grateful if you could support your child in completing the survey at:

<https://www.childrenscommissioner.gov.uk/thebigfuture>

The Children's Commissioner wants to hear from as many children as possible from every school, college and community across the country.

And finally, my thanks must go to all the team at Parsonage Farm, for all their hard work, support and dedication. Everything the children do, the fun they have, the learning that happens, the progress they make, wouldn't happen without this.

Have a wonderful summer and Good Luck to all the children and families moving on to new schools.

Take care, keep safe and have a lovely summer.
Miss Greenway
