

Email to Parent 4<sup>th</sup> January 2021

Dear Parents

Well I am sure you will have all heard the announcements earlier this evening saying that all schools will be closed from tomorrow except to children of key workers. I know this is going to cause great anxiety for many of you but the decision had to be made to ensure the safety of everyone. As this decision has been made with very little notice, I know you will appreciate that getting everything organised for tomorrow is virtually impossible so please bear with us.

If your child came to school as a key worker child any time between March and July last year, then we will expect them at school tomorrow as normal. Please come to the playground at your normal drop off time. Sweetpeas will also be running for now.

If you are unsure, then please do not bring your child tomorrow, but email or phone us during the day and we will confirm whether they are eligible to come to school as a key worker child and start on Wednesday.

If your child is in Nursery or Year R and was not at our school last year and you are a key worker and need childcare tomorrow, then please phone school in the morning – the phones will be manned from 7.30am.

Just to clarify that our Nursery will not be open to all children as it is part of a school. It will just be open to key worker children.

Tomorrow will be a busy day, sorting things out and preparing home learning.

I hope this tells you all you need to know for now and thank you in advance for your understanding in this difficult time.

Thanks

Miss Greenway

Headteacher
