

My Special Box

We would really like your child to put together a 'Special Box' of things that are special to them. We would like you to do this with your child over the Summer holidays and bring them in when your child starts school in September.

We would like your child to put in things that are special to them, that they would like to show to the other children and adults. These boxes would help us to get to know your child and find out what their favourite things are.

The box would have to be able to fit your child's special things in - but a SHOE BOX SIZE would be perfect and probably big enough.

Remember we will have to store 30 special boxes in our classroom!

Ideas for your child's 'Special Box':

1. Photographs of their family and friends.
2. A favourite book would be lovely to share.
3. Favourite toys (small ones and not too precious!).
4. Any objects that they have collected on holidays or outings - postcards, shells, toy animal from a farm, map from a theme park.
5. Any little bits of 'treasure' that your child would like to share!

It would be lovely if they decorated their box and put their name on the outside.

We hope you will have lots of fun making this special box together and we are really looking forward to seeing them in September. Thank you for your support with this.

Mrs Williams, Mrs Ellis and Mrs Seal
