## Authors

Hi! I am Billy Bear and I love reading. I want you to love reading too, so let's play book bingo!

Enjoy some books by the authors below by asking someone to read them to you, or you can read them yourself if you can! Ask a grown-up to write the book title and sign in the box when you have read one. When you complete a row, column or diagonal line (3 books), show your teacher. If you fancy a challenge, can you get a full house?
